**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer, currently connected by fiber networking. I fully this mode as it is faster, and connects to outlying areas not served by the older-type networks. I ask that we not allow the big business phone companies to deregulate as it will enable massive price hikes on all Broadband and telephone customers, essentially killing competition. Since subscribing to my current provider the consistency and speed of my internet connection has been not only faster but more reliable. Competition builds the future.

Respectfully,

Caroline Davis
